CBSE/Coord/Maths-Basic-Standard/2024

Dated: 02.05.2024

To

The Principal/Head of Schools
Schools Affiliated to CBSE

Subject: Permission to offer Mathematics (041) in class-XI in academic session 2024-25 to students who offered Mathematics (Basic) (241) in class X academic session 2023-24.

Madam/Sir,

As per the CBSE circular No Acad-03/2019 dated 10th January, 2019 two levels Mathematics for All India Secondary School Examination was introduced from academic session ending March 2020 onwards. The Mathematics (Standard) is for those students who wish to opt for Mathematics (041) at Senior Secondary level and the Mathematics (Basic) is for students who are not keen to pursue Mathematics at higher levels.

As per circular No. Acad-03/2019 dated 10.01.2019 students of class X who have studied Mathematics Standard (041) can offer Mathematics (041) in class XI. In case, the students who offered Mathematics Basic (241) in class X are allowed to offer only Applied Mathematics in class XI.

In the past, CBSE has given exemption to offer Mathematics (041) in class XI/XII to the students who offered Mathematics (Basic) in class X because of Covid pandemic.

For the session 2024-2025 too, as many changes are proposed because of NEP, hence, after detailed deliberations, the following has been decided by the Board.

- The relaxation in this rule to continue further for the academic session 2024-25 only. Thus, Students who offered Mathematics Basic (241) are also allowed to offer Mathematics (041) in class XI.
- Before permitting Mathematics (041) in class XI to such students, the Head of the Institution/School should satisfy that the students are having the aptitude and ability to pursue Mathematics (041) in class XI.
