Knowledge Is Power

CBSE Affiliation No: 831146

Subject: Proud Announcement - NABET Accreditation of Our School

It gives us immense pleasure to share a moment of great pride and joy with you. We are delighted to inform you that our school has been officially accredited by **NABET (National Accreditation Board for Education and Training)**, based on the outcome of the Final Visit Assessment Report.

This accreditation marks a significant milestone, recognising our ongoing commitment to **excellence in education, school governance, safety, and overall quality standards**. It is a testament to the hard work of our dedicated staff, the support of our parent community, and the holistic growth of our students.

While **CBSE affiliation** permits a school to follow specific requirements for the CBSE curriculum, facilities, administration and appear for Board examinations, **NABET accreditation by the Quality Council of India (QCI)** goes beyond academics. It evaluates the entire school system—including governance, infrastructure, safety practices, staff development, and co-scholastic activities—against rigorous quality standards. In other words, CBSE defines *what* is taught, whereas NABET ensures *how well the school delivers and manages* education.
